

Facilitating Sustainable Agriculture: A Participatory National Conference on Post- Secondary Education

Sponsored by:

- UC Davis College of Agricultural and Environmental Sciences and Student Farm
- UC Santa Cruz Center for Agroecology and Sustainable Food Systems (CASFS)
- The Farm Foundation

Supported by:

- UC Sustainable Agriculture Research and Education Program
- Sustainable Agriculture Research and Education (SARE/SAN)
- The USDA Cooperative State Research, Education, and Extension Service (CSREES) Sustainable Agriculture Research and Education Program (SARE)
- Wageningen Agricultural University of the Netherlands
- Students for Sustainable Agriculture (SSA), UC Davis

Welcome to the Facilitating Sustainable Agriculture World Café!

Please grab a cup of coffee or tea and pull up a chair at a table with new and old colleagues. In a few minutes we will introduce a few quires and invite you to share your ideas in dialogue as well as capturing thoughts on the table cloths.

Café Etiquette:

- Focus on what matters
- Contribute your thinking
- Speak you mind and heart
- Listen to understand
- Link and connect ideas
- Listen together for insights, patterns, and deeper questions
- Play, doodle and draw–writing on the table cloth is encouraged!
- Have fun!
