

Conference Schedule: Facilitating Sustainable Agriculture: A Participatory National Conference on Post-Secondary Education

Tuesday, January 24th Poster Session (7:30 – 9:00 pm)

Poster Session and Educational Resources Exchange:

1. Connie Falk, New Mexico State University. Poster title: OASIS: Organic Agriculture Students Inspiring Sustainability Teaching Organic Agriculture Using the Community Supported Agriculture Model
2. Katie Monsen and Tim Krupnik, UCSC. Environmental Studies, University of California Santa Cruz Student perceptions of graduate sustainable agriculture education in an interdisciplinary department.
3. Albie Miles UC Santa Cruz CASFS: UCSC CASFS, Environmental Studies emphasis in Agroecology and the Apprenticeship in Ecological Horticulture. UCSC.
4. Bryce Battisti. UC Davis School of Education. Permaculture as a Model for College Curricular Integration
5. Grace C. Ju. Grace C. Ju PhD. Seed Bank Manager and Plant Resource Specialist Teaching Sustainable Tropical Agriculture to Undergraduates: A Field Course at the ECHO Farm (Ft. Myers, FL) and Haiti.
6. Heather D. Karsten and Clare Hinrichs. The Dept. of Crop and Soil Sciences, Agricultural Economics and Rural Sociology, The Pennsylvania State University. University. Integrating the Natural & Social Sciences in a " Sustainable Agriculture Science & Policy" Course.
7. Elsa Sanchez Penn State Univ. Students teaching and learning from other students.
8. Seth Friedman. PEAS Consulting. Understanding Place: A Course Outline
9. Cultivating Success. Theresa Beaver University of Iowa and Washington State University
10. Terry Hooker Cal Poly San Luis Obispo Sustainable Agriculture Resources Consortium
11. M.S. Schroeder, N. Creamer, H.M. Linker, J.P. Mueller. Institution, including department or program: North Carolina State University, Department of Crop Science, Agroecology Minor Program and Summer Sustainable Agriculture Internship Program. Poster Title: Integrating Hands-on Learning with Classroom Education in Sustainable Agriculture and Agroecology at NC State University.

12. Jay Jayachandran. Agroecology and Urban Landscape Program at Florida International University". Associate Professor of Microbiology. Soil-Plant-Environmental Microbiology Laboratory. Env. Studies-SERC-The Honors College. Florida International University.
13. Martha Rosemeyer, Steve Scheuerell and Melissa Barker. The Evergreen State College, Environmental Studies. Ecological Agriculture at Evergreen State College.
14. Al Kurki, Associate Coordinator, Western SARE PDP
15. Ariel Agenbroad and Cinda Williams. University of Idaho, Plant, Soils and Entomological Sciences. Title: Back to the Farm - Forward to the Future: Land Grant tradition is fertile soil for Idaho's student organic farm.
16. Cathy Perillo and Cinda Williams. Washington State University, Crop and Soils Department and University of Idaho, Plant, Soils and Entomological Sciences Dept. Title: Sustainable and Organic Agriculture Classes at WSU and UI.
17. Cathy Perillo and Cinda Williams. Washington State University, Crop and Soils Department and University of Idaho, Plant, Soils and Entomological Sciences Dept. Title: Field Analysis of Sustainable Food Systems - An Immersion Approach To Studying Agroecology and Sustainable Food Systems.
18. Philip Ackerman Leist, Green Mt. College. Sustainable Agriculture and the Liberal Arts: Cultivating Interdisciplinary Collaboration at Green Mountain College, VT.
19. Amy Zader, Lindsay Clark, Phoebe Van Vleet, Stacie Brimmage. College of the Atlantic. Poster Title: Human Ecology in Action.
20. Rainbow Vogt, Sean Smuckler. Students for Sustainable Agriculture (SSA) general poster. UC Davis.
21. Kristin Reynolds, Dori Stone. Students for Sustainable Agriculture (SSA). Campus Food Systems Action Research/Education Project. UC Davis
22. Kaden Koffler, Tim Krupnik, and Damian Parr, UC Davis. Experiential Learning: Student Farm Intercropping Course and Field Experiment.
23. Cary Trexler, Navina Khanna, and Damian Parr. Delphi Survey: Stakeholders' Suggestions of Sustainable Agriculture Curriculum at UC Davis.
24. Mark Van Horn, Director, UCD Teaching Center & Student Farm. Department of Plant Sciences. University of California, Davis
25. Proposed UC Davis Undergraduate Sustainable Agriculture Major and Curriculum. Navina Khanna, Cary Trexler, Kristin Reynolds, Mark Van Horn, and Damian Parr.

26. Mark Rieger, Plant Sciences. University of Georgia, Athens
27. Julie M. Grossman, Allison L. Jack, Jennifer Blesh, Gregory Peck, Daniel Joseph O'Connell, Ginger Tissier, Toni DiTommaso, Johannes Lehmann, Joanna Green, Anu Rangarajan, Emily Gallagher, Ethan Rainwater. Institution: Cornell University. Title: Sowing the Seeds for Sustainable Agriculture Education at Cornell University: New Initiatives and Student Activism.
28. Rhonda Janke. Kansas State University.
29. John Masiunas and Michelle Wander. University of Illinois, Department of Natural Resources and Environmental Sciences. Sustainable and Organic Agriculture Opportunities at the University of Illinois.
30. Josh Slotnick, University of Montana.
31. Andrew Marshall, Maine Organic Farming and Gardening Association. Sustainable and Organic Agriculture in US Colleges and Universities.
32. Christof den Biggelaar, Dept. of Interdisciplinary Studies. Appalachian State University. Boone, NC.
33. Marianne Sarrantonio University of Maine. Plant, Soil and Environmental Sciences.
34. Mrill Ingram, Agroecology Program. Madison, WI
35. Paul Buseck. Instructor, Agriculture & Natural Resources. Tohono O'odham Community College, Arizona
