

## Resources from the 2009 Field to Fork Event at UC Santa Cruz

*Sponsored by the Center for Agroecology & Sustainable Food Systems*

### 1) Institutional Sustainable Food Sourcing:

- Guide to Eco Labels - [www.eco-labels.org/media/Ecolabels\\_Mtg.pdf](http://www.eco-labels.org/media/Ecolabels_Mtg.pdf)
- The Changing Vocabulary of Food Purchasing: A Guide for Foodservice Professionals  
<http://www.sustainablefoodlab.org/article/articleview/17174/1/2373>
- Sustainable Food Purchasing Guide  
[http://www.yale.edu/sustainablefood/food\\_purchasing.html](http://www.yale.edu/sustainablefood/food_purchasing.html)
- A Guide to Serving Local Food on Your Menu, Glynwood  
<http://www.glynwood.org/Publications-Audio/ReportandGuides.html>
- Quick Tips for Institutional Buyers  
[www.caff.org/publications/TipsforInstitutionalBuyers.pdf](http://www.caff.org/publications/TipsforInstitutionalBuyers.pdf)
- CASFS Article on Central Coast Consumer Interest in Sustainable Food  
<http://casfs.ucsc.edu/publications/briefs/index.html>

### 2) Hospitals:

- Health Professionals and Sustainable Food  
[http://www.preventioninstitute.org/pdf/Cultivating\\_Common\\_Ground\\_112204.pdf](http://www.preventioninstitute.org/pdf/Cultivating_Common_Ground_112204.pdf)
- Farm-to-Hospital Programs <http://www.foodsecurity.org/pubs.html#F2H>

### 3) K-12 Schools:

- Farm-to-School Guide (CAFF) <http://www.caff.org/programs/farm2school.shtml>
- Nourishing the Nation One Tray at a Time <http://www.foodsecurity.org/pubs.html>
- Going Local: Paths to Success for Farm-to-School Programs (8 case studies)  
<http://www.farmtoschool.org/publications.php?pt=case>

### 4) Colleges:

- Building Local Food Programs on College Campuses  
<http://www.caff.org/publications/>
- Linking Farms to Colleges <http://www.farmtocollege.org/resources.htm>

### 5) Climate Change & Food Miles:

- Food Miles  
[http://www.leopold.iastate.edu/pubs/staff/files/local\\_foods\\_HEN0604.pdf](http://www.leopold.iastate.edu/pubs/staff/files/local_foods_HEN0604.pdf)
- Food & Climate Change [http://www.sustainable-economy.org/main/send\\_client\\_files?f=Final%2520Report%2520CSE.pdf](http://www.sustainable-economy.org/main/send_client_files?f=Final%2520Report%2520CSE.pdf)
- A Post-Carbon Food system <http://www.postcarbon.org/files/PCI-food-and-farming-transition.pdf>

### 6) Local & Community Food: Systems

- Local Food Study  
<http://www.cde.state.co.us/artemis/ucsu5/ucsu5216abmr073internet.pdf>
- Challenges-and-Threats to a Local Food System  
<http://environmentalcommons.org/LocalFood/Challenges-and-Threats.pdf>
- Getting Involved In Our Food System  
<http://environmentalcommons.org/LocalFood/Getting-Involved.pdf>

- Shaping Our Food Systems  
<http://environmentalcommons.org/LocalFood/Shaping-Our-Food-Systems.pdf>
- The Place of Food <http://environmentalcommons.org/LocalFood/The-Place-of-Food.pdf>
- Ripe for Change Summary Report [www.isec.org.uk/articles/RipeForChange.pdf](http://www.isec.org.uk/articles/RipeForChange.pdf)

7) Misc.

- Food Safety & Scale  
<http://www.springerlink.com/content/4422g52r15066362/>
- What is Sustainable Agriculture? <http://www.sarep.ucdavis.edu/Concept.htm>
- Reading between the Lines: Understanding Food Industry Responses to Concerns about Nutrition  
<http://www.healthyeatingactivecommunities.org/resources5.php>
- World Watch: Happier Meals Report (pdf costs \$)
- Farm Animal Welfare: An Assessment of Claims, Certifications and Standards  
[http://www.upc-online.org/Welfare/standards\\_booklet\\_FINAL.pdf](http://www.upc-online.org/Welfare/standards_booklet_FINAL.pdf)
