UCSC PARKING LOT INFORMATION

**PARKING REGULATIONS**

- Regulations are enforced 24 hours a day, seven days a week, including final weeks, quarter breaks, and summer.
- Each parking lot entrance lists the types of permits allowed there, as well as the hours when those permits are required.
- Advance permission from University Police is necessary to load or unload a vehicle outside of a marked space. To request this permission, call University Police at 831-459-2231 to talk to a Records and Service staff member.
- Parking is allowed at non-functioning meters and paystalls only for the maximum time posted on each machine.
- Parking is prohibited outside of marked spaces.
- In general, permits are not required on the main campus during University holidays (see http://taps.ucsc.edu/parking/park-for-free.html) with the following exceptions:
  - in lots where permits are required at all times
  - in posted reserved parking spaces
  - when parking attendants are present during a special event

**PARKING IS NOT GUARANTEED**

Purchase of a permit does not guarantee a parking space in a specific parking lot. A lack of legal parking space is not justification to park illegally. Notes left on vehicles do not constitute permission to violate parking regulations.

**ENFORCEMENT**

The Parking Enforcement division of the University Police Department issues parking citations. Pay or appeal a parking citation online at ucsc.edu/parking/park-for-free.html with the following exceptions:

- in lots where permits are required at all times
- in posted reserved parking spaces
- when parking attendants are present during a special event

**DISABILITY-RELATED PARKING**

UC Santa Cruz has two types of parking spaces for those who have disability-related needs: standard and accessible disabled (or DMV) parking spaces, and Medical spaces. Medical spaces are standard-sized parking spaces intended for those who need close-in parking due to a medical condition, but who don’t require the extra space provided by DMV parking spaces.

If you have a DMV placard or plates, you may park in Medical, A, B, and R spaces. Additionally, you and your guests must also display a valid UCSC parking permit with your DMV placard/plates.

If you have a UCSC Medical permit, you can park in Medical or A spaces only. Federal law prohibits anyone without a DMV placard from parking in DMV parking spaces.
