

Through grant and gift funding, we are able to offer a range of course fee waivers to help cover part or all of the cost of course fees for some Apprenticeship participants. The following form can be used for those applying for full or partial course fee waivers. Please also see the separate form and criteria for the Simply Organic Endowment Scholarship and the Veterans Course Fee Waiver.

Because course fee waiver funding is limited, we cannot pay the other costs associated with the program (food, tools, books, etc.). Fee waivers may range from \$1,000 to the full course fee amount of \$6,000. Please read the “Fees and Payments” section on the information/application page for listing of estimated costs.

To apply for a course fee waiver, please answer the questions below and submit this with your apprenticeship application. The deadline for this application is September 30, 2017 (the postmark deadline for U.S. applicants).

Only completed applications submitted by the deadline will be considered.
