

Through grant and gift funding, we are able to offer a range of scholarships to help cover part or all of the cost of course fees for some Apprenticeship participants. The following form can be used for those applying for full or partial scholarships. Please also see the separate form(s) and criteria for the Food, Justice and Equity Scholarship, the Simply Organic Endowment Scholarship, and the Matthew Raiford Veterans Scholarship—if you are applying for any of these scholarships, you must also fill out this General Scholarship Application.

Because scholarship funding is limited, we cannot pay the other costs associated with the program (food, tools, books, etc.). Scholarships may range from \$1,000 to the full course fee amount of \$6,000. Please read the “Fees and Payments” section on the Apprenticeship Information website page for listing of estimated costs.
