Friends of the UCSC Farm and Garden
By-law revisions proposed by Board and Officers, September 11, 2017 (text in red = proposed revisions)

Article 1: Name

The name of this organization is the Friends of the UCSC Farm & Garden. It is recognized as a University Support Group under the aegis of the UC Santa Cruz Foundation.

Article 2: Purposes

The purposes of this organization are –

A. to provide support for the Center for Agroecology & Sustainable Food Systems (CASFS) Apprenticeship in Ecological Horticulture program, and undergraduate research and education in agroecology through fundraising, public outreach, and advocacy;

B. to foster appreciation for CASFS and assist staff in sharing knowledge of ecological horticulture practices and sustainable agriculture research in the community;

C. to strive to promote the UCSC Farm and Garden as a unique community resource for organic and sustainable gardening education through the Friends’ year-round schedule of workshops, publications, and other events.
